Norfolk Rise

VINEYARD MOUNT BENSON

Norfolk Rise Vineyard is located close to the coastal town of Robe, which is renowned for its rugged coastline, exquisite crayfish and long, white sandy beaches.

Terra Rossa soils lying over fossilized limestone combined with pure underground water and maritime breezes create wines of great elegance and structure.

Our winemaking philosophy is simply to embrace, then express, the unique characteristics of our vineyard. Clear varietal definition, generosity of flavour, and an abundance of fruit derived complexity define our style.

Come in and experience it for yourself
